II. Health Care (1/2)

I. General Information

Mandatory Health Insurance:

The State Agency on Mandatory Health Insurance implements the mandatory health insurance through accumulating revenues to finance medical services within benefit package and acting as purchaser of these services.

Mandatory health insurance (MHI) has been implemented as a pilot scheme in Mingachevir, Yevlakh, and Aghash providing 1829 medical services within a benefit package.

The list of medical services included in the benefit package and their prices were approved by the Decree of the President of the Republic of Azerbaijan No.1181 by December 28, 2016. The total number of medical services covered by the benefit package of MHI, which are applicable in the administrative areas of Mingachevir city, Yevlakh and Aghdash districts, is 1829: Primary healthcare – 18, First aid and emergency medical care – 6, Outpatient service – 480, Inpatient services – 677, Laboratory services – 459, Physiotherapy services – 23, Vital and important expensive medical services – 166.

Rights and responsibilities of the insured person:

- In the event of an occurrence, to receive health care services included in the benefit package in accordance with procedure specified by Law of the Republic of Azerbaijan "On Medical Insurance";
- to choose a healthcare provider or medical territorial unit that has a contract with the State Agency on Mandatory Health Insurance for financing of health care services;
- to request from the health care provider the submission of credible information about the type, period, volume, quality and conditions of the health care services delivered by the healthcare provider or medical territorial unit;

- to request not to reveal information constituting a doctor-patient confidentiality under the Law of the Republic of Azerbaijan on "Protection of Population Health";
- to claim compensation from healthcare provider or medical territorial unit for the damage caused by healthcare provider or medical territorial unit;
- to apply to the State Agency on Mandatory Health Insurance or to the court for the protection of the legitimate rights and interests regarding to the mandatory health insurance;
- to receive information about insurance premiums paid for the insured persons;
- to request from the State Agency on Mandatory Health Insurance for an explanation of the rights and responsibilities about the mandatory health insurance;
- to require insurer (employer) to cover them under mandatory health insurance as well as make payment of insurance premiums on time and in full.

Duties of the insured person:

- If necessary, inform the health care provider or medical territorial unit about the state of their health;
- To present an identity card while approaching to healthcare provider or medical territorial unit.

For more information related to the Mandatory Health Insurance, please call to (+994 12) 310 07 70 and/or visit the following web-page: www.its.gov.az

II. Health Care (2/2)

Benefits:

According to the Law of the Republic of Azerbaijan “On Public Health Care” (or Code on the Protection of Public Health) No. 360-IQ by June 26, 1997, the medical services should be free of charge at state-owned hospitals and care units. In Azerbaijan, the Ministry of Health (MoH) is responsible for the healthcare system.

Most medical facilities, which include public hospitals, as well as pediatric and adult polyclinics, are state-owned and services are free of charge. Polyclinics offer outpatient services only, while hospitals and specialized clinics offer both outpatient and inpatient services. Private medical establishments are growing very rapidly; while they are licensed by the Ministry of Health, they are otherwise independent.

Some medical treatments, for example oncology, can be obtained at state hospitals only. Reproductive health and maternity services are offered at women's consultation centers.

2. Medical treatment and medication
