

## ABOUT ERRIN

### *Facilitating a joint approach to the return and reintegration of migrants*

The **European Return and Reintegration Network (ERRIN)** is a consortium of 15 partner countries which facilitates the return and reintegration of migrants who cannot, or no longer wish to, remain in Europe. ERRIN caters for a wide range of needs, providing counselling, referral, and reintegration assistance for returnees.

Under the programme, Caritas International, as member of the ERSO-network (European Reintegration Support Organisations), assists persons who return to Guinea with their reintegration process.

ERRIN is funded through the European Union Asylum, Migration and Integration Fund (AMIF), with co-financing from participating national agencies.
