

## ABOUT ERRIN

### Facilitating a joint approach to the return and reintegration of migrants

The **European Return and Reintegration Network (ERRIN)** is a consortium of 15 partner countries which facilitates the return and reintegration of migrants who cannot, or no longer wish to, remain in Europe. The network caters for a wide range of needs, providing counselling, referral, and reintegration assistance for persons returning to their country of origin.

Under the programme, Caritas International Belgium (CIB) is the contracted service provider for Ghana. CIB works with AG Care Ghana as local service delivery partner to assist returnees, both voluntary and non-voluntary, with the first steps of their reintegration once back home.

ERRIN is funded through the European Union Asylum, Migration and Integration Fund (AMIF), with co-financing from participating national agencies.
