

ABOUT ERRIN

Facilitating a joint approach to the return and reintegration of migrants

The **European Return and Reintegration Network (ERRIN)** is a consortium of 15 partner countries which facilitates the return and reintegration of migrants who cannot, or no longer wish to, remain in Europe. The network caters for a wide range of needs, providing counselling, referral, and reintegration assistance for persons returning to their country of origin.

Under the programme, Caritas International Belgium (CIB) is the contracted service provider for Ukraine. CIB works with Caritas Ukraine as local service delivery partner to assist returnees, both voluntary and non-voluntary, with the first steps of their reintegration once back home.

ERRIN is funded through the European Union Asylum, Migration and Integration Fund (AMIF), with co-financing from participating national agencies.

ABOUT

Caritas Ukraine: After Ukraine gained independence in 1991, the Greek Catholic community started establishing Caritas branches in Ukraine. Initially the regional organisations focused on collecting and distributing humanitarian aid to the disadvantaged. Over time, the needs of the communities pushed Caritas in Ukraine to broaden the scope of its work. Caritas Ukraine is an umbrella organisation for more than 20 regional of Caritas branches all throughout Ukraine.

Caritas International Belgium (CIB) is a non-governmental organisation and works in close cooperation with Caritas Ukraine to provide assistance to returnees from the different ERRIN partner countries. CIB has been implementing the national government programme as service provider worldwide in the field of voluntary return since 2007.
