

ABOUT ERRIN

Facilitating a joint approach to the return and reintegration of migrants

The **European Return and Reintegration Network (ERRIN)** is a consortium of 16 partner countries which facilitates the return and reintegration of migrants who cannot, or no longer wish to, remain in Europe. ERRIN caters for a wide range of needs, providing counselling, referral, and reintegration assistance for returnees.

Under the programme, EB projektmanagement GmbH in Austria is the contracted service provider in Egypt. EB works with Life Makers Foundation Egypt as local partner to assist returnees, both voluntary and non-voluntary, with the first steps of their reintegration once back home.

ERRIN is funded through the European Union Asylum, Migration and Integration Fund (AMIF), with co-financing from participating national agencies.
