Summary of the technical points for the voluntary returnees of the Somaliland original form the outside countries:

- The returnee should be voluntary and not be forced to return their Original country.
- The returnee has the right to submit an application form requisitioning refugee status and residence in the host country and have right to appeal while there is rejection of his/her application.
- Country of origin of the returnee must visit the host country for screening mission and insuring the identification of their nationality prior any returnee.
- There must be sustainable sufficiency returnee package.
- Forced repatriation will not be accepted unless concerned parties reach mutual understanding about the circumstance surrounding the returnee and agreed.
- Those returnees who are not willing return back to their original country may get suitable information, support and encouragement from the members of the mission of their original country.
