## Joint Reintegration Services

### IRAQ

#### About Joint Reintegration Services

The Joint Reintegration Services are at the core of the Frontex Reintegration Programme. They provide for the provision of reintegration assistance to returnees departing on a voluntary or non-voluntary basis from Member States and Schengen Associated Countries to their countries of origin. At the same time, it contributes to an effective return policy in the European Union, ensuring that returns are done in a dignified and humane manner. To implement this assistance, Frontex has concluded a partnership with ETTC in IRAQ to assure the deliverance of high level of support.

#### About ETTC

In Iraq Kurdistan, South and Central Regions, we work with the European Technology and Training Centre (ETTC). ETTC is a development non-profit organisation, working to contribute to sustainable development in Iraq. ETTC has been implementing reintegration programmes, vocational training sessions and good governance projects in public administration since 2009. Assistance will be offered via the ETTC Offices in Erbil, Duhok and Slemani (Kurdistan Region) and in Baghdad and Basra (Iraq South and Central).
